Section 1. Association Security:

Subd. 1. Any teacher who is a member of the Association or who has applied for membership, may sign and deliver to the school district an assignment authorizing deduction of membership dues in the Association, including the Minnesota Education Association and the National Education Association. Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year.

Pursuant to such authorization, the school district shall deduct one-twentieth of such dues from both regular salary checks of the teacher each month for ten months, beginning in September and ending in June of each year. Deductions for teachers employed after the commencement of the school year shall be appropriately prorated to complete payments by the following June.

Upon request of the exclusive representative, the school district shall deduct a fair share fee, as determined by the Association, from the pay of any teacher who is not a member of the Association in good standing, or who does not make application for membership within thirty (30) days from the date of commencement of teaching duties.

The exclusive representative hereby warrants and covenants that it will defend, indemnify and save the school harmless from any and all actions, suits, claims, damages, judgments and executions or other

forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee specified by the exclusive representative as provided herein.

Subd. 3. Upon thirty (30) days notice in writing to the payroll officer of the name of the teacher and amount of the fair share fee certified by the exclusive representative, the school district will deduct such fair share fee in the installments from such employee's pay check each month, and will forward such fees to the exclusive representative. The exclusive representative agrees to notify the employer promptly whenever any teacher subject to a fair share fee deduction becomes a member of the exclusive representative, and no further fair share fee deductions for such teacher will thereafter be made. In no instance shall the required contribution exceed a prorata share of the specific expenses incurred for services rendered by the representative in relationship to negotiations and administration of grievance procedures.

Subd. 4. With respect to all sums deducted by the school district whether for membership dues or fair share fee, the school district shall remit to the exclusive representative, within ten (10) calendar days, the total amount deducted. The school board shall provide annually a list of teachers for whom such deductions have been made. LEAVES OF ABSENCE

Section 1. Sick Leave: Sick leave shall be defined as any absence due to an illness and/or debilitating condition.

Subd. 1. All teachers under contract shall earn ten (10) days of sick leave for each year of service in employ of the school district. A day will be interpreted to mean the teacher's work day. One additional day shall be earned for each month employed beyond the regular school year.

Subd. 2. Accumulation of unused sick leave days shall be unlimited. Each teacher shall receive a written notice of the total number of accumulated sick leave days in each school year.

Subd. 3. Sick leave with pay shall be allowed by the school district whenever a teacher's absence is found to have been due to illness or debilitating condition which prevented his/her attendance at school and performance of duties on that day or days.

Subd. 4. Sick leave allowed shall be deducted from the accrued sick leave days earned by the teacher.

Subd. 5. Sick leave pay shall be approved only upon submission of a signed authorized sick leave pay request card available at the office.

Subd. 6. A teacher who is absent due to an illness of a family member will be allowed to use their personal accumulated sick leave without salary deduction.

Subd. 7. A teacher who is unable to teach because of personal illness or disability and who has exhausted all accumulated paid sick leave available, may be granted an additional leave of absence without pay for the duration of such illness or disability, up to one

(1) year. A doctor's statement may be required certifying the teacher's ability to return to work.

Subd. 8. The school district may require a teacher to furnish a medical certificate from a qualified physician as evidence of illness, indicating such absence was due to illness, in order to qualify for sick leave pay. In the event that a medical certificate will be required, the teacher will be so advised.

Subd. 9. At the beginning of each school year the exclusive representative will elect a sick leave bank committee. At that time all non-participating teachers who wish to participate in the established sick leave bank will be assessed one day of sick leave. Participating members of the unit who exhaust their personal accumulated sick leave allowance due to an extended illness shall be allowed reasonable and necessary withdrawals from the common bank. The sick leave committee shall have the power to accept or reject any requests for additional sick leave days. Any person requesting aid must wait five (5) days before receiving any days from the bank. If there are insufficient days available in the bank any participating teacher will contribute one (1) more sick leave day at any time during the school year. A participating member of the unit who has utilized sick leave credit from the sick leave bank shall repay those days credited in a one to one ratio. The first year following a withdrawal a member must repay four (4) days. In the following years the indebted member may not accumulate more than ten (10) days until his/her debt to the bank is paid in full.

A teacher may withdraw from the sick leave bank at the beginning of any school year. In case of withdrawal a teacher's contribution of days will remain in the bank.

Subd. 9 (a). An illness, in order to qualify to use days from the sick leave bank, must meet the following criteria:

1. Be a personal illness - not family illness or bereavement leave.
2. Surgery, in order to qualify, must be of an emergency nature.
3. Repayment of sick leave bank days following voluntary resignations will be determined on a case by case basis by a committee consisting of the sick leave bank chair, the president of the association and the superintendent or their representatives.

Subd. 10. Accumulated sick leave may be used by a pregnant teacher for those days determined by the attending physician as days the teacher is disabled. The teacher must furnish a written statement from the attending physician.

Subd. 11. All absences caused by injury covered by the Workmen's Compensation Act are a part of the sick leave policy of the district. If the payment to the teacher under the Workmen's Compensation Act is not equal to the teacher's salary, the school district will pay the difference between the regular daily salary of the teacher and the amount paid by Workmen's Compensation. The fractional time a teacher is absent from school and not paid by Workmen's Compensation will be charged against his/her accumulated sick leave. The fractional amount paid by the school district will be charged to the teacher's accumulated sick leave.

Section 2. Bereavement Leave: Bereavement leave shall be granted to all certified employees without salary deduction. The absence, however, shall be deducted from the employee's accrued sick leave. The exact number of days will be determined by the superintendent.

Section 3. Personal Leave:

Subd. 1. Any certified employee will be granted two days personal leave per year with one half the substitute's salary to be deducted from the teacher's salary for each day of personal leave. This deduction is not dependent upon the hiring of a substitute.

Subd. 2. Requests for personal leave must be made to the superintendent of schools at least one day in advance, except in the event of emergencies. The superintendent shall have the authority to limit the number of those taking personal leave to one person per day.

Subd. 3. If personal leave days are not used by the teacher, they may elect to have the day(s) either banked in a personal leave account for up to a total of 5 banked days; or deposited into their sick leave at the rate of one day per unused personal leave day remaining. Once a teacher has 5 banked days they may take all the days in succession if they so choose with the same conditions as outlined in Subd. 1 & 2.

Section 4. Organization Office Leave: An unpaid leave of absence of up to one (1) year shall be granted to any full-time teacher upon application for the purpose of serving as an officer of the MEA or NEA or on its staff. Upon return from such leave a teacher shall be placed at the same position on the salary schedule and shall maintain the same fringe benefits as he/she had prior to the taking of this leave. By April 1 of the year in which the leave is being taken the teacher must notify the school board in writing of his/her intent to

return or not to return. Failure to so notify shall constitute automatic termination; however, the superintendent may extend the April 1 deadline.

Section 5. Public Office Leave: A leave of absence, not to exceed the duration of the office, shall be granted to any full-time teacher, upon application, for the purpose of campaigning for, or serving in, a public office. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule and shall maintain the same fringe benefits as he/she had prior to taking this leave.

Section 6. Maternity Leave: The school district shall grant a maternity leave up to one year to any pregnant teacher who makes a written application for such leave. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule and shall maintain the same fringe benefits as she had prior to taking this leave.

Section 7. Child Care Leave:

Subd. 1 An unpaid child care leave may be granted by the school district, subject to the provisions of this section, to one (1) parent of a child, provided such parent is caring for the child on a full-time basis.

Subd. 2. A teacher making application for child care leave shall inform the superintendent in writing of intention to take the leave as soon as possible before commencement of the intended leave.

Subd. 3. If the reason for child care leave is occasioned by pregnancy, a teacher may utilize sick leave pursuant to the sick leave provisions of the Agreement during a period of physical disability. However, a teacher shall not be eligible for sick leave during a period of time covered by a child care leave.

Subd. 4. The school district may adjust the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with the closest natural break in the school year - i.e., winter vacation, spring vacation, semester break or quarter break, end of a grading period, end of the school year, or the like.

Subd. 5. In making a determination concerning the commencement and duration of a child care leave, the school board shall not, in any event, be required to:

1. Grant any more than (12) months in duration.
2. Permit the teacher to return to employment prior to the date designated in the request for child care leave.

Subd. 6. A teacher returning from child care leave shall be reemployed in a position in which they left if they return during the school year in which the leave was granted. Otherwise, the teacher shall be reemployed in a position for which they are licensed.

Subd. 7. Failure of the teacher to indicate their intent to return pursuant to the date determined under this section shall constitute grounds for termination. The school district and the teacher may mutually agree to an extension in the leave

Subd. 8. A teacher who returns from child care leave within the provisions of this section shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of this agreement at the commencement of the leave. The teacher shall not accrue additional experience credit for pay purposes or leave time during the period of absence for child care leave.

Subd. 9. A teacher who takes leave under this section for the reason of caring for a newborn child, and that leave exceeds six weeks, shall reimburse ISD 857 for the insurance premiums retroactive to the beginning of the child care leave.

Section 8. Adoption Leave: The school district shall grant an adoption leave up to one year to any teacher who makes a written application for such leave. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule and shall maintain the same fringe benefits as he/she had prior to taking this leave.

Section 9. Military Leave: Military leave shall be granted pursuant to applicable law.

Section 10. Sabbatical Leave: A sabbatical leave of absence for a year or part of a year may be granted, subject to board approval, to members of professional staff who are presently teaching full time for the purpose of professional advancement or travel, subject to the following conditions:

Subd. 1. In order to be eligible for sabbatical leave, an individual must have taught in Independent School District No. 857 for at least six (6) full years.

Subd. 2. If sabbatical leave is granted for the purpose of study at the master's degree level the teacher must complete twelve (12) credit hours of work during each semester or quarter for which the leave is granted. Work beyond the master's degree requires nine (9) credit hours each semester or quarter. The institution and courses must be approved as a part of the advanced program.

Subd. 3. If the sabbatical leave is granted for purpose of travel the itinerary must be approved by the school district before the leave is granted.

Subd. 4. Application for sabbatical leave must be submitted on or before February 1 for leave taking effect during the next school year. The board will render a decision concerning the request for sabbatical leave on or before the regularly scheduled March board meeting. The applicant will receive written confirmation of the board's decision within three (3) working days of that decision.

Subd. 5. The number of teachers on sabbatical leave shall be limited to one of the total instructional force.

Subd. 6. The allowance granted to a teacher on sabbatical leave shall be one half the rate of pay received by the individual had he/she remained in his/her position.

Subd. 7. In order that all applicants be given equal consideration and in case the number of requests exceeds the limitations, the school district agrees to use the following criteria in selecting the candidates for sabbatical leave:

- A. The merit of the objectives as they relate to improving the instructional program.
- B. Years of teaching experience in the district.
- C. Previous leaves.
- D. Reasonable distribution of applicants by schools.
- E. Evidence of acceptance of the teacher's program or project by the institution offering the advance study, research, or itinerary.

Subd. 8. A teacher who is granted sabbatical leave must pledge himself/herself to return to his/her former position with Independent School District No. 857 for a period of two years following termination of the leave. If the teacher's service is discontinued for any reason other than the individual's incapacity to teach before the expiration of the two years, he/she shall pay back to Independent School

District No. 857 a pro-rata of the allowance.

Subd. 9. A teacher, upon return from a sabbatical leave, shall be restored to his/her former position of like nature and status, and shall be continued at the same position on the salary schedule as if he/she had taught in the district during such period. He/she shall maintain tenure, and insurance benefits, accumulated sick leave and all other accrued benefits provided in this Agreement. Sick leave shall be restored to the position it was prior to taking the leave.

Section 11. Association Leave: The exclusive representative shall be credited with six (6) days during the 2-year contract term, with no more than five (5) days to be used in any one year. The number of days shall not accumulate from one 2-year contract term to another. These days, with pay, may be used by the teachers who are officers or agents of the exclusive representative. Request for such leave days shall be made through the president of the exclusive representative. The exclusive representative agrees to notify the superintendent no less than forty-eight (48) hours prior to the date of intended use of such days.

Section 12. Study Leaves: An unpaid leave of absence of up to one (1) year shall be granted to any full-time teacher who has at least 5 years service in the district, upon application for the purpose of engaging in study at an accredited college or university reasonably related to his/her professional responsibilities. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule and shall maintain the same fringe benefits as he/she had prior to taking this leave.

Section 13. Retirement Leave: Any teacher who has attained the age of seventy (70) as of June 30 of any year shall be automatically retired as of that date.

Section 14. Jury Duty: Any teacher who is called to serve jury duty for a municipal, county, state, or federal court shall be provided leave with pay for each day of required jury duty service. The teacher shall notify the District of the dates of pending absence as soon as possible following notice of jury duty, but in no event later than one week prior to commencing jury duty service. The teacher shall reimburse to the district any per diem paid to a juror by the court for jury duty service during days of actual employment, except that the teacher shall retain any mileage and meal allowance paid by the court.

Section 1. Building Hours: Teachers shall be required to be in their designated workplace 30 minutes before the opening of the pupil's school day and shall be permitted to leave 15 minutes after the close of the pupil's school day except on days when faculty meetings are called. On Fridays or on days preceding holidays or vacations, the teacher's day shall close at the end of the pupil's day. Teachers will be available to students during these hours. For the teacher assigned to AP math during the 1995-96 school year the hours of service shall be 15 minutes before the opening of class and 30 minutes after the beginning of 7th period.

Section 2. Lunch Period: All teachers shall be entitled to a duty free lunch period of 30 minutes.

Section 3. Overtime: Part-time teachers whose required attendance exceeds their contracted employment shall be compensated for the extra time at their contracted rate of pay.

Section 4. Additional Activities: In addition to the basic school day, teachers shall be required to participate, to a reasonable degree, in school activities beyond the basic teacher's day, as is required by the school district or its designated representative. The normal duties for teachers include a reasonable share of extra-curricular, co-curricular, and supervisory activities, as determined by the principal, superintendent or school board.

LENGTH OF THE SCHOOL YEAR

Section 1. The school district and exclusive representative agree that the school term for the 1995-97 school years shall be 185 days

Subd. 1. A committee representing the association will be included in formulating of the school calendar each school year. This group will be selected by the local association. Prior to the March school board meeting the superintendent, principals, and teachers will discuss the school calendar for the following year and present their findings to the school board.

Subd. 2. If it is necessary to alter the calendar during the school year the same committee will meet to discuss the changes. If an emergency requires that a decision be made immediately board action may be taken prior to the committee meeting.

GRIEVANCE PROCEDURE

Section 1. Grievance Definition: Any allegation by the exclusive representative or a teacher that there has been a violation, misinterpretation, or misapplication of the terms and conditions of employment insofar as such matters are contained in the Agreement.

Section 2. Representation: The teacher, administrator, or school board may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.

Section 3. Definitions and Interpretations:

Subd. 1. Time limits specified in this agreement may be extended by mutual agreement.

Subd. 2. Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law. Once a grievance is initiated it shall be continued until resolved. No grievance shall be initiated after the last day of school.

Subd. 3. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school district's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the

particular relief sought within twenty days after the date the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the teacher and the school district designee.

Section 5. Procedure: The school board and exclusive representative acknowledge that it is usually most desirable for an employee and his/her supervisor to resolve problems through free and informal communications. When requested by either party, the building grievance representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the supervisor and the teacher, then a grievance may be processed as follows:

Subd. 1. Level 1. If the complaint is not resolved in the informal meeting, the employee or the exclusive representative must present the grievance in writing, within five (5) days to the building principal who will arrange a meeting within five (5) days. The exclusive representative or teacher and the building principal shall be present for the meeting. The principal must provide the aggrieved teacher or the exclusive representative with a written answer on the grievance within five (5) days.

Subd. 2. Level 2. If the grievance is not resolved in the Level 1 the employee or the exclusive representative must present the grievance in writing, within five (5) days to the superintendent who will arrange a meeting within five (5) days. The teacher and the superintendent shall be present at the meeting, along with the exclusive representative, if the teacher wishes. The superintendent must provide

the aggrieved teacher with a written answer on the grievance within five (5) days.

Subd. 3. Level 3. If the grievance is not resolved in Level 2, then the exclusive representative or employee shall refer the grievance to the school board within five (5) days. A meeting shall be arranged, by the superintendent, for a meeting between the exclusive representative or employee and the School Board, or its representative to take place within fifteen (15) days of the receipt of the appeal. Each party shall have the right to include in its representation appropriate witnesses and counselors to develop facts pertinent to the grievance. Upon conclusion of the hearing, the school board will have five (5) days in which to provide its written decision to the aggrieved.

Subd. 4. Level 4. If either party is not satisfied with the disposition of the grievance at Level 3, or the Level 3 time limits expire without the issuance of the school board's written answer then the exclusive representative or employee may submit the grievance to final and binding arbitration under the rules of the P.E.L.R.A. of 1971 which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within thirty (30) days of the date for the school board's Level 3 reply, then the grievance will be deemed withdrawn. Neither the school board nor the exclusive representative will be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party. Both parties agree to be bound by the award of the arbitrator and agree that the judgment there on may be entered in any court of competent jurisdiction.

Subd. 5. Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party

incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 6. The time limits provided in this Article shall be strictly observed but may be extended by written mutual agreement of the School Board and the exclusive representative.

Subd. 7. No reprisals of any kind will be taken by the school administration against any teacher because of this participation in the Grievance Procedure. Neither shall any reprisals be taken by the School Board.

Subd. 8. All documents, communication and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under the informal process of Level 1 and Level 2 of this procedure provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

UNIFICATION, LAYOFFS, AND ASSIGNABILITY

Staff Reduction and Annexation, Consolidation or Other Reorganization of the District

Section 1. Unification: This Agreement shall be binding upon the school district and its successor personnel and upon any school district into which or with which this district shall be merged or combined.

Section 2. Layoffs: Termination of tenured professional personnel required by reduction in student enrollment, merger, financial condition, discontinuance of position, consolidation, or annexation shall take place only in accordance with the applicable provisions of the Minnesota Continuing Contract Law. (Minnesota Statutes 125.12).

Section 3. Assignability: In the event a teacher's assignment or responsibilities are to be changed or eliminated, every effort will be made to place that teacher in another position for which he/she is qualified, within the school system. Reduction in certified staff will be made on the basis of seniority in the school district, provided the teacher is certified for the position. Rehiring will be based on a reversal of the above procedure; i.e., the last dismissed will be the first rehired.

Section 4. Seniority List: The school board will furnish a seniority list of all tenured staff to the exclusive representative on or before the first of January of each school year. This list will then

be the order in which lay-offs of tenured staff will be handled.

1. Number of years teaching in School District 857.
2. Full time senior over part time.
3. Number of areas certified.
4. Total continuous teaching time.
5. Number of extra duties.
6. Administrative evaluation.

CURRICULUM WRITING

The school district and exclusive representative agree that curriculum changes are often needed and necessary for the education of all children. When these changes are of a minor nature they can be effectively handled within the school day. However, there should be compensation for major changes that require many hours of preparation outside the classroom and add to the professional responsibility of the teacher. The compensation for affecting such curriculum changes shall be reimbursed at the rate of twelve dollars (\$12.00) per hour.

ARTICLE XV

DEPARTMENT CHAIRPERSON

Section 1. Compensation: The school district and exclusive representative agree that any teacher designated or elected as a department chairperson shall be assigned one (1) less hour of class per day or shall be compensated at the rate of two hundred fifty dollars per year.

Section 2. Classification: The department chairperson shall not be considered a supervisory employee as defined in the P.E.L.R.A. of 1971.

Section 3. Designated Departments: The following areas should function as departments for the 1995-1996 and 1996-1997 school years:

Subd. 1. Special Education to include Elementary and Secondary. This will involve MMI, MSMI, LD, EBD, and Speech/Language.

Section 4. Selection of Department Chairperson:

Subd. 1. Chairpersons should have a major in the area in which he/she is to be department chairperson.

Subd. 2. Chairpersons should have teaching experience in his/her field.

Subd. 3. Members of the department may nominate two candidates. If the department members do not wish to do so, or fail to nominate them, the choice will be left to the administration. The final selection in any case will be made by the administration.

Subd. 4. Renomination will occur each year, keeping in mind that frequent changes would produce discontinuity of policies and procedures.

A R T I C L E X V I

PROFESSIONAL VISITATION

The school district and exclusive representative agree that upon request and approval by the administration, teachers shall be allowed up to two days of release time for classroom visitation and school observation. This policy is directed toward the examination of special types of programs in operation. Upon request, teachers shall be reimbursed for expenses. Substitutes, when necessary, shall be provided by the school district.

DURATION

Section 1. Term and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing July 1, 1993 through June 30, 1995 and thereafter until modifications are made pursuant to the P.E.L.R.A. of 1971. If either party desires to modify or amend conditions of the Agreement commencing on July 1, 1996 it shall give written notice of such intent no later than May 1, 1996. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 90 days prior to the expiration of this Agreement.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the school district and the exclusive representative representing the teachers of the district. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, school district policies, rules, or regulations concerning terms and conditions of employment inconsistent with these provisions.

Section 3. Finality: Any matter relating to the current contract term, whether or not referred to in this Agreement, shall not be open for negotiations during the term of this Agreement unless both parties mutually agree to such a reopening.

Section 4. Severability: The provisions of this Agreement shall be severable and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof.
